

PRODUCT-DETAILS

ABZ/S 2.1

ABZ/S 2.1 Application Unit Time, MDR C

Obecné informace

Typ	ABZ/S 2.1
Id výrobku	2CDG110072R0011
EAN	4016779652360
Katalogový popis	ABZ/S 2.1 Application Unit Time, MDR C
Detailový popis	It provides a yearly time clock program with 15 daily routines (800 switching events), a weekly schedule and allowance for 100 special days. Additionally, the unit can control up to 300 participants in 30 macro groups, that can be triggered using a single command. In this way, each time controlled switching event can cause a series of actions. The switching times can be modified with the free PZM software without using ETS.
