

SC 19-20 Clip for Shooting 31400

CE
6/2022

Areas of application:

Suitable for conduit laying on concrete walls and ceilings by using a shooting tool.

Installation Guide:

Put the SC to the muzzle of the shooting tool so that it does not fall off and then fasten the SC clip to the surface as described in the user manual of the shooting tool.

Product details:

Colour	light grey
Content pack/box	100 / 2.400
max. nail thickness	3 mm

Product benefits/properties:

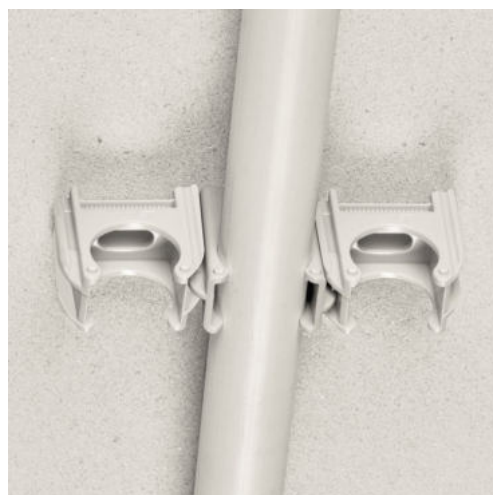

Considerable time saving compared to traditional fastening methods. On both sides of the SC an EC Euro-Clip can be added easily by hand. With only one shot, up to 3 conduit lines can be mounted.

Technical data:

Material	PP Temperature range: -10 °C up to +85 °C silicon-free halogen-free
