

Junction casings

Separator wall

- for junction casings
- can be retrofitted to separate electrical circuits

Order number:	1096-20
EAN:	4013456412101
for casing size	159 x 159 mm
Fireproof	650 °C
Halogen-free	Yes
Packaging inner	10

Flush-mounting junction casings in all sizes and for almost any kind of jobs. This programme features practical housing sizes as well as robust housing design perfect for building sites.

- As central junction casings for star-shaped cable laying
- Easy to rewire when changing the way rooms are used
- With separator walls to separate electrical circuits
- For installation of DIN terminal strips, TS 35 standard rails for terminal blocks, LSA+ terminal strips and much more
- End cover with screw fastening for VDE-compliant installation

Dimensions correspond to the casing size in each case
