

Wire-pull casings

Plastering covers

- for installation on rebar, without support element, before front formwork placed against it

Order number:	9917.06
EAN:	7611614261867
Length	390 mm
Width	290 mm
Height	1 mm
For type number	9917 / 9917.21
Dispatch	30

KAISER wire-pull casings ensure expert cable routing through conduit networks. According to DIN 18015-1, conduit lengths of more than 15 m and with more than two bends require wire-pull casings that allow cables to be added or retrofitted at any time. Wire-pull casings provide multiple conduit entry options and maximum free space to ensure a continuous cable network, including with subsequent changes to the electrical installation.

- Quick and secure installation using pre-inserted nails
- Clean stripping where exposed concrete is required
- High dimensional stability, no internal support required
- Multiple conduit entry options
- Stackable
